Maintenance.	General cleaning should involve regular wiping over with a dry or damp cloth, using a mild soap dissolved in warm water if necessary. Do not use abrasives. For detailed information please see our CARE GUIDE F1.
Environmental. Important.	Bio PVC petroleum free, halogen & PFC free, phthalate free, OEKO TEX Standard 100. Please be aware that certain dyes (such as those used in denim jeans) may migrate onto lighter colours. Heat and humidity can also contribute to this phenomenon and is irreversible. We are unable to accept responsibility for dye transfer caused by external contaminates.

In accordance with normal trade practice batch to batch variations may occur within commercial tolerances. Samples shown on this card are a guide and current production may differ marginally. We reserve the right to alter specifications without notice. FR testing is predictive and customers must ensure their complete furniture meets the necessary standards. All values and measurements are approximate.
